

## How to Authenticate This Official Transcript From the University of Nebraska-Lincoln

This official transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. If you are not the intended recipient, please notify the Transcript Department at the University of Nebraska-Lincoln. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or [Adobe® Reader](#); it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by the University of Nebraska-Lincoln, with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

### EXPLANATION OF TRANSCRIPT

#### Office Contact Information

Office of the University Registrar  
107 Canfield Administration Building  
Lincoln, NE 68588-0416  
Phone 402-472-3544

#### Accreditation

The University of Nebraska–Lincoln is accredited by the Higher Learning Commission (HLC) of the North Central Association of Colleges and Schools. In addition, some programs maintain specialized accreditation by a national professional organization's accrediting agency.

#### Numbering System as of Fall 1972

1 – 99 Assessments, recitals, and freshman seminars  
100 – 199 Primarily freshman level  
200 – 299 Primarily sophomore level  
300 – 399 Primarily junior level  
400 – 499 Primarily senior level  
500 – 799 Professional level (Law, Dentistry, and Architecture)  
800 – 999 Graduate level

#### Course Number Suffix

Select alphabetic characters have been assigned to course numbers to denote a unique feature regarding the course's/sections' method of instruction:

G = Graduate credit when associated with 500, 600, and 700 level courses  
H = Honors section – Advanced Placement or Honors for selected students

#### Term Calendar and Credits

The University of Nebraska–Lincoln operates on a semester calendar with regular terms that are 16 weeks in length. Summer terms have multiple sessions of varying length. All credits are recorded in semester hours. Attempted credits are recorded for all course registrations that were not dropped during the first two weeks of the term (summer sessions follow a pro-rated timeline). All transfer credit is recorded in semester hours.

#### Academic Standing and Eligibility to Enroll

Students are considered in academic good standing if they are currently enrolled or currently eligible to enroll in regularly scheduled classes for the next term. Students are eligible to re-enroll in classes for three semesters past their last term of enrollment except Visiting and Intercampus students who are eligible for one term only per admission application.

#### Partial Record

In Fall 1986, the University of Nebraska–Lincoln implemented a new academic record system. The transcript of a student enrolled both before and after Fall 1986 will be in two formats, paper and electronic. Students spanning both formats will have entries on the electronic record carrying over credit and grade factors from the old paper based academic record.

#### Other University of Nebraska Campuses

UNL's academic GPA reflects work done at the other University of Nebraska campuses including the Medical Center (UNMC), Omaha (UNO), and Kearney (UNK). All other transfer credit is transferred as earned hours without impacting GPA.

#### Official Method of Certification

A transcript is official if it is printed on colored security paper in portrait format and bears the facsimile signature of the University Registrar.

#### Grading System

From 1971 through the 2001 Summer Term the grading system consisted of letter grades with plus notation mid-points. Beginning with Fall 2001 the grading system was changed to letter grades with both plus and minus notation. (Exception: Law College retained the plus only system.)

Quality Points Assigned			Grade Conditions	
Grade	1971 to Summer 2001	Fall 2001 to Current		
A+	4.00	4.00	I	Incomplete
A	4.00	4.00	N	No Pass
A-	----	3.67		(for Pass/No Pass course)
B+	3.50	3.33	NR	No Report
B	3.00	3.00		(no grade submitted)
B-	----	2.67	P	Pass
C+	2.50	2.33		(for Pass/No Pass course)
C	2.00	2.00	W	Withdrew from course
C-	----	1.67		
D+	1.50	1.33		
D	1.00	1.00		
D-	----	0.67		
F	0.00	0.00		

#### Academic Statistics

Current and cumulative statistics are presented after each term as follows:

AHRS = Attempted Hours

EHRS = Earned Hours

QHRS = Quality Hours

QPTS = Quality Points (Quality Points multiplied by Earned Hours)

GPA = Grade Point Average (Quality Points divided by Quality Hours)

#### Undergraduate Course Repeats and Academic Bankruptcy Policy

Only the most recent letter grade received in a given course will be used in computing a student's cumulative grade point average if the student completed the course more than once and previously received a grade or grades below "C" in the course. Courses whose grade factor have been removed are marked with the notation "Repeated" under the course title.

Undergraduate students only may remove one or two semesters of work from degree consideration after successfully completing 15 semester hours at a 3.0 GPA or 30 semester hours with at a 2.5 GPA at the University subsequent to the term(s) to be bankrupted. Courses with grade factors removed through this process will remain a part of the permanent record and will appear on any transcript with the notation "Academic Bankruptcy."

In accordance with the Family Rights and Privacy Act of 1974 as revised, this transcript must not be released to a third party without written authorization of the student.

Transcript forgery and alterations are considered acts of academic dishonesty and are subject to disciplinary action in accordance with the Student Code of Conduct.

It is the policy of the University of Nebraska–Lincoln not to discriminate based upon age, race, ethnicity, color, national origin, gender, sex, pregnancy, disability, sexual orientation, genetic information, veteran's status, marital status, religion, or political affiliation.
