Readers: Check two boxes above to identify two committee members, exclusive of chairs, who will serve as readers.

The Supervisory Committee is expected to meet within the same semester or summer term following its appointment by the Office of Graduate Studies to discuss and approve the Program of Studies for the student. The Program of Studies must be submitted to the Office of Graduate Studies with a minimum of 45 hours exclusive of language and/or research tools remaining to be taken. Any deviation from the 45-hour rule requires a written justification.
