Dear Ricardo Jacome,

Thank you for serving as a Author and Presenter for the **WCX SAE World Congress Experience** scheduled for April 21-23, 2020 in Detroit, Michigan, USA.

I am pleased to inform you that SAE International has reviewed and approved your paper/presentation entitled Road Curvature Decomposition for Autonomous Guidance (20AE-0346/2020-01-1024).

SAE International meetings are open to all interested persons and bring together engineers and other professionals for technical presentations, expositions, and seminars. SAE International is not able to provide financial support to meeting participants. Airfare, ground transportation, hotel, meals, travel insurance, and any other meeting-related expenses are the responsibility of each participant.

If you need to apply for a temporary non-immigrant visa to attend an SAE International meeting in the United States, you are advised to apply for your visa as soon as possible and no later than 3-4 months in advance of the meeting date. If you require a visa to attend an SAE International meeting outside the United States, please refer to the visa rules of the host country to determine the applicable visa requirements and the suggested timeframe for submitting your visa application. You can submit SAE International meeting information, such as the name, dates, location, and purpose of the meeting, with your visa application.

SAE International cannot intervene with, or call or send personal letters to, the State Departments, Embassies or Consulates of the United States or other government on behalf of any meeting participant. However, once you have registered for the SAE International meeting or event, SAE International will provide you with a registration confirmation that you can use for your visa application or interview.

U.S. visa information, including required documentation and fees, can be found on the U.S. Department of State's website at http://travel.state.gov/visa/temp/types/types_1262.html.

Sincerely,
